Sing to The Lodge

Mmmm... Tasty sweet treats were in order last month as we joined the Alzheimer's Society for their fundraising 'Cupcake Day' on June 15th. Staff were invited to use their baking skills to produce cupcakes in whatever creative way they could think of. Alongside some 'guessing games' and information relating to the cause, we were ready, and the bunting began to wave!

Cakes were purchased throughout the day and we also made sure that our residents were treated too.

At the end of the day we are proud that we raised just over £83.00 for Alzheimer's Society. So a HUGE "Thank You" to all our Baker's and Eater's.

Cut's 'n' Curls

We are very proud to welcome two new hairdressers.- Chelsea & Sophie to the Lodge. They are experienced and lovely girls who will be alternating their weeks and sharing the same pricelist, which they are kindly doing at a discounted rate for us.

Should you wish to see a price list, just see Liss or Nikki in the office and they will be happy to help.

Keeping Our Cool.

Wow! What a scorcher! The English countryside is alive to the arrival of summer. Of course we love the sunshine dearly, but it is important to keep cool as temperatures soar.

Here at the lodge we break out the freezer to provide residents with our ice poles and lollies (*it just wouldn't be summer without them*) and of course plenty of cool drinks.

Our staff also attended a special training session about Dehydration & Rehydration which highlighted the importance of the subject and explored many ways to identify and combat problems associated with heat.

Waterlooville Motorcycle Club. A Visit with a difference.

On a sunny Sunday afternoon with tea and cakes, Shedfield Lodge welcomed the roar as these motorcycle enthusiasts arrived. On display was a wonderful collection of these machines from days gone by and each came with 'a story to tell.' Whether it be racing or restoration, the residents were thrilled with the company of these guys (and of course a lady too) Waterloooville Motorcycle Club have visited before and are looking forward to coming back again. They do wonderful work, raising money for charities and very kindly made a donation to ourselves which, we will put towards future activities. So a massive 'thank you' and 'ride like the wind' as they say.

The Sweetest Sound

The thought of 30 Primary School Children in your lounge may make you think of chaos, but quite the opposite here at the Lodge. We were expecting about a dozen but the teachers had said that they all wanted to attend.

St John's Baptist Choir sang a variety of favourite songs complete with actions and it was absolutely wonderful. A great sing-a-long uplifted us with the widest smiles.

The children too were so endearing when they finished as, without prompting, engaged in holding hands and conversation with everyone. Each of them alive with their own stories was a very touching thing to see.

The staff of the school should be very proud and arrangements have been made for a return visit towards Christmas. ...Looks like Santa is coming early to Shedfield.

I would love to include more photo's of our residents and for that I require a consent form to be signed by family members. I have received a few but would welcome many more. If you visit us, just pop in the office, or ask a member of staff and we can arrange it. Alternatively I can send a form to you via email. Only takes a moment and the benefits are timeless.

Thank you

Look forward to the next edition of
Lodge Life

Until then...

See you soon,

Mark
